

HUD HOUSING PROGRAMS: TENANTS' RIGHTS AND THE 2014 SUPPLEMENT

NHLP's HUD Housing Programs: Tenants Rights is universally considered the seminal reference on housing rights of residents in federally-assisted rental programs. With a user-friendly format and clear concise explanations, this authoritative guide, known universally as the Green Book, is your key to understanding laws governing HUD's housing programs.

Purchasers of HUD Housing Programs: Tenants Rights should also order the 2014 Supplement, which contains updates to the laws, including VAWA 2013, a new section devoted to fair housing, new rulings, case updates and more, for use in tandem with the 2012 Green Book.
