

Transportation

From San Francisco International Airport (SFO) via BART and MUNI (total cost \$10.25)

The most economical way to reach the conference hotels is BART (Bay Area Rapid Transit). Tickets are sold at BART stations. Fare from SFO to Montgomery Street Station is \$8.25.

From Oakland International Airport (OAK) via BART and MUNI (total cost \$8.85)

Take the AirBART shuttle in front of Terminal 1 and 2 at Oakland International Airport to the Coliseum/Oakland Airport BART station. From there, board a San Francisco/Daly City bound train to the Montgomery Street Station in downtown San Francisco. AirBART shuttle fare is payable in cash (\$3 exact change) or a \$3 BART ticket from a regular BART ticket machine. Your fare from Coliseum/Oakland Airport BART to Montgomery Station in San Francisco is \$3.85. Do **not** combine both fares onto one BART ticket.

To reach all of the HJN conference lodging sites via the 30-Stockton MUNI bus, exit BART at Montgomery Street Station.

30-Stockton MUNI Bus to Hotels

From Montgomery Street BART station, walk to the corner of Sutter and Kearney Streets. Take the 30-Stockton MUNI bus towards North Point and Van Ness. Exit at the corner of Columbus Ave. and North Point Street. The hotels are on Columbus Avenue near this intersection: Marriott Fisherman's Wharf at 1250 Columbus Avenue and Holiday Inn Fisherman's Wharf at 1300 Columbus Ave. MUNI fare is \$2, exact change only.

Historic MUNI Streetcars to Hotels

A scenic alternative to the 30-Stockton MUNI bus is San Francisco's fleet of restored, vintage streetcars. Route passes San Francisco Ferry Building and Fisherman's Wharf. Exit **Embarcadero BART Station** via Market Street and take the F Streetcar to Fisherman's Wharf. Exit streetcar at Jones and Beach Street, walk up Jones away from Fisherman's Wharf and turn right on North Point Street to Columbus Ave. Both the Holiday Inn and the Marriott Hotel are on the first corner at Columbus. Ride time approximately 15 minutes; walk time to hotel is about 3 minutes. MUNI fare is \$2, exact change only.
