Subject Second Extension of the Foreclosure Moratorium in Connection with the

Presidentially-Declared Major Disaster Area in Maui County, Hawaii

Purpose This Mortgagee Letter (ML) further extends the foreclosure moratorium in

Maui County, Hawaii.

Effective Date The provisions of this ML are effective immediately. The moratorium will

remain in effect through August 4, 2024.

Affected The provisions of this ML apply to all FHA Title II Single Family forward

Programs and Home Equity Conversion Mortgage (HECM) programs.

Background HUD provides an automatic 90-Day foreclosure moratorium beginning on

the date of any Presidentially-Declared Major Disaster Area declaration. On August 10, 2023, President Joseph R. Biden declared Maui County, Hawaii a major disaster area due to the wildfires that decimated the county. HUD's automatic foreclosure moratorium was set to expire on November 8, 2023, and due to the devastation in Maui, HUD extended the moratorium through May 6, 2024. HUD is now further extending the foreclosure moratorium for properties located in Maui County, Hawaii due to the extent of the

devastation from the wildfires, the reduced capacity to access needed resources, and the unique geographic location of Maui. HUD believes that

Borrowers need the additional time provided by the moratorium to access federal, state, or local housing resources, rebuild, and consult with HUD-approved housing counselors.
